

Sisters and Brothers,

Over the last 5 years, I've had the extreme pleasure and privilege of representing you, the membership to the Company. Over this period of years, I've learned a lot, made some great friends, and generally, feel like I helped move where we, the flight attendants, need to be. I have been humbled by the support of everyone during both bargaining sessions, and it's because of that support, we have been able to achieve as much as we have.

While there is no great time to leave a position, now is the right time for me. I am confident that moving forward, this local, our local, will achieve great things.

Until the upcoming elections, the position of President has been filled as per our bylaws by Rena Kisfalvi. Rena will take over the email and phone number of the president by the end of this month.

Over the next few months, I'm sure everyone will see some positive changes from their local. I am confident that the direction Rena takes our local in will be one that benefits us all. Thank you all for your hard work and dedication through some difficult times. It was a pleasure being your president.
