Update 3/17 Rule

Article 9.12.6 - The 3/17 Rule will be implemented by January 31st.

It will commence with the start of a new block month.

We spoke with the company yesterday to follow up with Article 9.12 specifically articles 9.12.1 and 9.12.3. (minimum crew rest and red eye restrictions)

Adherence on those articles will not be implemented at the same time as the 3/17 as we expected.

The test phase of those rules has not been completed at this time.

We asked for a timeline and was not given a date to launch.

I expect we should have some answers by end of January.

We appreciate your patience while we wait on this implementation.
